Church Roundtable
Solutions for Growing Churches

You're Invited

Join us to find solutions for your growing church.

DJ Construction and Church Growth Services invite you and your leadership team to an afternoon designed to help your church find solutions for your growing ministries.

*We'll answer your questions in addition to exploring the following:
How is your existing facility a hindrance to congregational growth and ministries?
How much money can you raise and how do you go about doing it?
How do you move forward with a strategic plan?*
