"We are delighted that opening our Warsaw office in 2010 has given us a relationship with Biomet. Tom Harman and David Krebs have been great to work with. I appreciate the way that this large corporation includes both professionalism and a genuine care for people as part of their culture."

-Bob Schrock, CEO
DJ Construction

BIOMET
One Surgeon. One Patient.®

Features:

- Biomet, a musculoskeletal medical products powerhouse headquartered in Warsaw, Indiana, began their relationship with DJ by awarding them a number of smaller building upgrades.
- A 14,000 square foot, two-story addition that includes a state-of-the-art cafeteria was built by DJ in 2012-13 and is available to every Biomet employee.
- Since 2010, DJ has completed over 20 projects at various locations throughout the Biomet campus.
