**“Faith Mission is a perfect example of DJ’s strong relationship with the numerous not-for-profit entities that we do so many projects for. Being funded by individuals, churches, and local businesses, they like so many other agencies are trying to stretch the building dollar as far as possible. DJ helped them to do just that. Their motto proclaims: “Helping the Hungry & Homeless in Jesus’ Name Since 1956,” so they have been active nearly as long as DJ Construction.”**

– JC Schrock, VP,  
DJ Construction

### History:

- In 2006, DJ Construction embarked on a three year, three phase project with Faith Mission, an inter-denominational Christian social service agency that provides food, shelter, clothing and other services for needy individuals.
- DJ completed the new 10,000 square foot men’s shelter in January 2007. Then a major renovation of the 15,000 square foot central services building was done in two phases. The kitchen, laundry and restrooms were completed in November 2007. The last phase involving a dining room, chapel multi-purpose room and office space was finished in May 2008.
- These new facilities have enabled Faith Mission to provide shelter to over 700 individuals, almost 200,000 meals, 20,000 chapel services, and over 400 job opportunities annually.
