"My most vivid memory of working with Faith UMC was initial concern about having 18 members on their building committee, four from each of the original churches plus Pastors Larry Kurtz and Frank Beard. My concern was not justified as the committee worked together well to help create the building needed to facilitate their ministry."

-JC Schrock, VP, DJ Construction

History:

- Faith United Methodist Church was created in April of 1993 with the uniting of four churches; Castle, Grace, Good Shepherd and Simpson United Methodist Churches.
- On Sept. 14, 1996, the congregation moved into a new 42,000 square foot building constructed by DJ Construction at the intersection of CR 17 and CR 18.
- The facility includes a 550 seat sanctuary, large kitchen serving the fellowship hall/gym, a choir room, classrooms, offices and a wide common area connecting the two main entrances to various areas of the building.
