Middlebury Headquarters

Mishawaka Facility

### History:

- DJ and Cardinal Buses have partnered on 4 projects, dating back to the construction of its Middlebury headquarters and service facility in 1992.
- In 1995, DJ built a 22,000 square foot Mishawaka facility for the then-named United Limo.
- A new Mishawaka maintenance facility, with service bays and office areas, was completed in 2013.
- Cardinal Bus began in 1923 as a family-owned local bus service. Today, 90 years later, it provides state of the art motor coach services throughout the U.S. and Canada.

**"I believe the Shoup Bus facility (1992) was my second project after joining DJ. Over the years I've gained a great deal of respect for John, Dan, and Matt. I've worked with them as both project manager and client representative. They are men of their word, honest and hardworking."**
